

January 18th 2015

On behalf of the Government of Canada, the citizens of Oshawa, my family and myself, I wish to extend my sincere congratulations on the

9th Annual Durham Multifaith World Religion Day Celebration

Today we celebrate the evolution of faith, diversity and culture in the Durham Region. Over the last 65 years, this celebration has provided spiritual education for various religious and faith groups in our surrounding community. Best wishes for continued unity, growth and prosperity for many years to come.

Colin Carrie
