It is my great pleasure to extend greetings to everyone attending the Multifaith World Religion Day Celebration at the Ajax Community Centre.

I would like to take this opportunity to congratulate the dedicated organizers and volunteers of the Multifaith Community of Durham Region together with the Indo-Canadian Cultural Association of Durham for all the hard work in bringing together such a worthwhile and celebrated event.

World Religion Day is commemorating 60 years of spiritual guidance and relationship building to our friends in the community and continues to nurture the divine and sacred state within the Region of Durham. It is an honour to pay tribute to the interfaith understanding and harmony underlying the world's religions in concert with this year's theme of Spirituality & Sustainability-Solution to Climate Change.

As the Member of Provincial Parliament for Oshawa, I would like to welcome everyone to this momentous occasion and offer my sincere best wishes for your continued influential guidance and outreach in our community.

Yours Sincerely,

A handwritten signature in black ink, reading "Jerry J. Ouellette".
