**As Mayor of the Town of Whitby, I would like to thank the Multifaith Community and the Indo-Canadian Cultural Association of Durham for organizing today's Multifaith World Religion Day Celebration.**

**The Region of Durham is home to a variety of cultures and ethnic groups. World Religion Day provides a wonderful opportunity for everyone to come together and unite in the celebration of both our diversity and our similarities.**

**I do appreciate the invitation and although I am not able to join you this year, I look forward to participating in the future.**

**Sincerely,**
